WHAT HAPPENED SINCE YOU CONTRIBUTED LAST YEAR?

CCA FILES A LAWSUIT AGAINST THE U.S. DEPARTMENT OF COMMERCE, NMFS, AND NOAA TO RE-EVALUATE AMENDMENT 29. Amendment 29 gives away 65 percent of Gulf gag and red groupers to the commercial fishing industry through a catch share or IFQ (individual fishing quota) program. CCA has filed a lawsuit in federal district court in Fort Myers, Florida, challenging the adoption and implementation of Amendment 29 to the Gulf of Mexico Reef Fish Management Plan approved by the United States Secretary of Commerce.

CCA Florida lobbies successfully with the FWC to repeal the shoreline exemption from Florida's saltwater fishing license. The repeal ensures better data collection for Florida's fisheries and, most importantly, will save Florida anglers from having to pay 20 million dollars in additional federal angler registration fees.
